## Scholarship Information and Application Instructions

The Department of Mathematics has scholarships available to freshmen through seniors who have declared a first or second major in mathematics. These include the **Hazel Bucy and Emeritus Awards**. A single application serves for all scholarships. These scholarships are supported by gifts from Hazel Bucy and by contributors to the Mathematics General Scholarship Fund.

Scholarship winners are selected by the Mathematics Department Undergraduate Committee. Selection is based on academic performance in mathematics courses and/or other mathematics related activities.

### Eligibility:

- Graduation/retention GPA of 3.25
- Mathematics GPA of 3.5

**Instructions:** For full consideration the following must be received by **April 6, 2012**. You can deliver completed applications directly to MSCS 401 or by mail at the address below.

**For more information** please contact Prof. Roger Zierau, MS 502A, email: [zierau@math.okstate.edu](mailto:zierau@math.okstate.edu)
