

Mathematics Department
Research Metrics Questionnaire 2013

Please return the completed questionnaire to Angela by Wednesday, April 10.

NAME: _____

Let N be the lesser of 5 and the number of years that you have been employed as a tenure-track or tenured member of the OSU faculty.

- For me, $N =$ _____
- Over the last N years, I have published _____ papers in peer-reviewed mathematical journals.
- Please briefly describe other significant scholarly activities over the last N years.

- Please describe any research-related distinctions you have received in the last N years.

- In the last N years, I made _____ applications for external funding related to research. (Please include all external applications, but not the Dean's Incentive Grants or other internal funding.)

- In the last N years, _____ applications for external funding were successful. (Please include all successful applications.)

- In the last N years, I received \$_____ in funding from external sources. (Please include total amount from all funding sources.)

(continued on reverse)

- In 2012, I made _____ external research-related professional contacts.
(This phrase refers to attending professional meetings, giving colloquium or seminar talks at other math departments, participation in workshops, writing for mathematical blogs, and any other activities that enhance the visibility of the OSU math department in the mathematical and wider research communities. It should be understood inclusively.)
