Textbook.

- *Calculus: Early transcendental 6e* by James Stewart (Custom Edition for Oklahoma State University) 2008 CENGAGE Learning.

MLRC: Mathematics Learning Resource Center. The MLRC is an invaluable resource to support your mathematical learning. I encourage you to go there regularly to do your homework and to use the materials that we have made available to you.

Location: Classroom Building, fourth floor.

Learning Aids/Services: Tutoring, Videotaped lectures, and Microcomputers with mathematics software.

Calculators: Graphing calculators are not a requirement for this class. However you are encouraged to bring one and use it at your discretion. If you have questions about calculators I would be happy to help before/after class or during office hours.

Examinations: There will be three fifty-minute examinations with a maximum possible score 100 points each and a 200 point comprehensive final examination. The percentage score on the final examination will be used to replace a missed examination. Make-up examination will be given only for very serious and unavoidable conflicts, and only if you notify me in advance. Exams will be given **September 22nd**, **November 1st**, **December 3rd**, tentatively. The final examination will be on **December 13th** at **8:00-9:50 am**.

Homework: Homework assignment will be submitted online through WebAssign. You will need to register as a student for this class before being able to submit homework assignments.

The login address is <http://webassign.html>

You will need the following Class Key information: **okstate 6501 1252**.

If you run into any problems, help is available at **MLRC**.

The due dates of each assignment will be announced in class and on the web site.

Withdrawal from the Course: See the OSU catalog, Academic regulation 5.4. It is your responsibility to know and comply with all deadlines.

Incomplete Grade: The grade of “I” is given to students who satisfactorily completed the majority of the course work and whose work averages “D” or better, but who have been **unavoidably** prevented from completing the remaining work of the course.

Academic Dishonesty/Misconduct: Academic dishonesty is behavior in which a deliberately fraudulent misrepresentation is employed in an attempt to gain undeserved intellectual credit, either by one’s self or for another. Academic dishonesty is not condoned or tolerated at OSU. The minimum penalty for an act of academic dishonesty will be the assignment of a grade of 0 on the examination, quiz, or homework assignment.

Special Accommodation for Students: If a member of this class feels that he/she has a disability and needs special accommodation of any nature whatsoever, I will work with you and the Office of Student Disability Services, 315 SU, to provide reasonable accommodations to ensure that you have fair opportunity to perform in this class. Please advise the instructor of such disability after the first scheduled class period.

Course Evaluation: Course grades will be determined according to the following distribution:

Homework -----	200pts
Exams @ 100 points each -----	300pts
Final Exam -----	200pts
Total-----	700pts.

Letter grades will be assigned according to the following scale.

- A 630-700pts
- B 560-629pts
- C 490-559pts
- D 420-489pts
- F 0-419pts

Some discretion based on the attendance may be used by the instructor in deciding borderline cases.

Notes: Any changes in this syllabus will be communicated to you in class by the instructor.

Four step learning: Step one is to read the material and write down the important points. Step two is to ask questions on the reading material and to watch the instructor do an example. Step three is to work on an example problem in either a group setting or a problem whose solution is in the textbook so you can get feedback on your attempted solution. Step four is to complete the assigned homework problems.

DROPPING A COURSE AND WITHDRAWING FROM THE UNIVERSITY

Students often confuse these terms <http://osu.okstate.edu/acadaffr/DropAdd.htm>.

Dropping a Course (or courses) may occur during the first twelve weeks of the semester. This means, however, that you are still enrolled in at least one other OSU course. (Remedial courses cannot be dropped without written permission of the advisor.) *After the twelfth week (November 12, 2010), a course may be dropped by petition but **only** when verifiable extenuating circumstances can be demonstrated.* Verifiable extenuating circumstances must be reasons beyond your control, such as illness or accidental injury.

Poor performance in class is not an extenuating circumstance.

You must obtain a petition to drop a course after the deadline from your advisor and get the signature of your advisor and dean with a grade of "W" or "F" assigned by the instructor. The Late Drop Panel must then approve the petition.

Withdrawing from the university means that you are dropping *all* of your courses and **are no longer enrolled for the current semester**. This may occur until the Friday before pre-finals week (December 3, 2010). The withdrawal process is initiated in your dean's office. **CHECK THE IMPORTANT DATES SECTION FOR THE "DROP" AND "WITHDRAWAL" DEADLINES FOR THIS SEMESTER.**

ACADEMIC INTEGRITY POLICY

Oklahoma State University is committed to the maintenance of the highest standards of integrity and ethical conduct of its members. This level of ethical behavior and integrity will be maintained in this course. Participating in a behavior that violates academic integrity (e.g., unauthorized collaboration, plagiarism, multiple submissions, cheating on examinations, fabricating information, helping another person cheat, unauthorized advance access to examinations, altering or destroying the work of others, and fraudulently altering academic records) will result in your being sanctioned. Violations may subject you to disciplinary action including the following: receiving a failing grade on an assignment, examination or course, receiving a notation of a violation of academic integrity on your transcript, and being suspended from the University. You have the right to appeal the charge. Contact the Office of Academic Affairs, 101 Whitehurst, 405-744-5627. Go to academicintegrity.okstate.edu for a short video on OSU's academic integrity policy and additional information.

CLASS ATTENDANCE IS IMPORTANT

Class attendance is a critical component of learning; therefore, you are expected to attend and participate fully in all scheduled class meetings. Many instructors consider attendance so essential that your grade may be affected by your absence. *SOME DEPARTMENTS AND PROFESSORS HAVE MANDATORY ATTENDANCE POLICIES.* If no written attendance policy is provided before the last day to add a class without instructor permission, no penalty may be assessed for class absences although you may not be permitted to make up certain in-class activities. If you are required to participate in official university-sponsored activities or military training you should receive an excused absence unless the written course attendance policy indicates otherwise. If you will be absent from class for sponsored activities, you must provide prior notification of the planned absence to the instructor. You may be required to submit assignments or take examinations before the planned absence.

If you must be absent from classes due to illness or other extenuating circumstances, it is your responsibility to notify instructors at the earliest possible time and determine if missed assignments can be submitted.

PRE-FINALS WEEK POLICY

Final examinations are scheduled at the end of each semester and are preceded by pre-finals week, which begins seven days prior to the first day of finals. During pre-finals week, all normal class activities will continue; however, no assignment, test, or examination
