

# Course Syllabus, Math 2144, Calculus I, Section 009, Spring 2012

**Instructor:** Lizhi Chen

- . Office: MSCS 511
- . Email : lchen @ math.okstate.edu
- . Phone : 405 744 1800
- . Class Time: 1:30PM - 2:20PM, Monday, Tuesday, Wednesday, Thursday
- . Classroom: AGH(Agriculture Hall) 108
- . Online Classroom(D2L): [oc.okstate.edu](http://oc.okstate.edu)
- . WebAssign : [www.webassign.net](http://www.webassign.net) (For homework)
- . Course Web Page: <http://www.math.okstate.edu/~lchen/Teaching/calculus1>

**Office Hours:** 10:30AM - 11:45AM on Monday and Tuesday, and other times by appointment.

**Prerequisites:** Two years of high school algebra and one year of high school trigonometry, or Math 1513 and 1613, or Math 1715.

**Textbook:** Calculus, Early Transcendentals, 6th and OSU ed., by James Stewart.

**Examinations:** There will be three in class tests given in the following dates:

- Tuesday, February 8, 2012.
- Thursday, March 14, 2012
- Monday, April 18, 2012

And the final exam will be given at the time: **12:00PM - 1:50PM, on Tuesday, May-01-2012**, the location is **CLB 301**.

**Homework:** All the regular homework will be done at the online system WebAssign. To enroll in the WebAssign, please go the link: [www.webassign.net](http://www.webassign.net), and the class

code of our class is: [okstate 6400 8936](#). Please notice the due time of each homework, usually the later homework will not be accepted. You can use the **Notifications** service within WebAssign to send you an email 24 hours in advance of assignment due dates as a reminder.

**Grading:** Every in-class exam will be worth of 100 points as maximum, and the final exam will be worth of 200 points as maximum, the homework score will be scaled to 200 points as maximum. Totally there will be 700 maximal points.

The final grade will be calculated as follows:

- A around 630 - 700 points (more than 90%)
- B around 560 - 629 points (between 80% and 90%)
- C around 490 - 559 points (between 70% and 80%)
- D around 420 - 489 points (between 60% and 70%)
- F below 419 points (below 60%)

**Attendance:** There will be a 20 point bonus, added to your course score, for good class attendance. To earn this bonus, you are allowed to have at most 4 unexcused absences after the second week of term. Each unexcused absence after 4 will reduce the bonus by 5 points. Excuses may be granted for documented university activities, but not for illness or other accidental reasons; the latter should be accounted for by the 4 allowed absences. To record your attendance, sign the roll form by your name when it is passed out during class. You may not sign for another student; doing so would be an academic integrity violation.

**Academic Integrity:** The academic integrity will be highly maintained in this course. Any violation of the academic integrity will not be tolerated. So please be honest in all the semester, I am always ready to help you if you are in trouble with the class.

**Syllabus Attachment:** The OSU syllabus attachment on the web can be found at the link:

<http://academicaffairs.okstate.edu/faculty-a-staff/46-syllabus-attachment>.

It includes the university policy on academic integrity and lots of other information, please read it.

**Feedback:** It is very welcome to hear your comments about the teaching. I will be very glad to listen to your opinions and make improvements to help everyone succeed in this course.

**Any change of the above information will be announced in the class and also will be updated to the D2L site: [oc.okstate.edu](#).**
