Syllabus Attachment: Please read the OSU syllabus attachment on the web at http://academicaffairs.okstate.edu/current-students/47-syllabus-fall. This has a lot of important information, including instructions about disability accommodations and academic integrity. Please contact me privately during the first week of the course if you need accommodations as the result of a disability.

Textbook: The textbook is the 6th edition of *Calculus* by James Stewart.

Examinations: All exams will be in class. There will be three preliminary 50 minutes exams, worth 100 points each, and a comprehensive final exam worth 200 points. Exams will be given as follows:
- Exam 1 on **Thursday, September 20**
- Exam 2 on **Tuesday, October 30**
- Exam 3 on **Thursday, November 29**
- Final   on **Tuesday, December 11 from 10:00~11:50 a.m.**

Make-up Exams: <u>You should plan to attempt all the exams at the scheduled times.</u> Makeup exams will be given only for very serious and unavoidable conflicts or emergencies and only if your request to present a make-up examination is approved by your instructor **in advance**. If this condition is not satisfied, it is understood that the opportunity to present a make-up examination is voided.
If you have a university- approved conflict with the final exam time, you must tell me in writing by **Monday, November 26**. If you do not meet that deadline, you may not be allowed to take a conflict exam. I cannot give a conflict exam if you do not have a university-approved conflict.

Web Assign Homework: We will be using the online homework grading system Web Assign. To register and work on assignments, you should go to the following site: https://www.webassign.net/login.html. The class key is <u>okstate 6155 6338</u>. Web Assign homework points will scale down to a maximum 150 points.

Written Homework or Quizzes: The written assignments and due dates will be announced in class. I do not accept late homework. There will be announced and unannounced quizzes during the semester. Written homework and quizzes will scale down to a maximum 50 points

Course Grades: The course grade will be based on a total of 700 points as follows:

Web Assign Homework	150
Written Homework or Quizzes	50
Exam 1	100
Exam 2	100
Exam 3	100
Final Exam	200
	-----
	700 points

Grading: Your final grade in the course will be determined by your total points in the course as follows:

630 – 700 points	90% - 100%	A
560 – 629 points	80% - 89%	B
490 – 559 points	70% - 79%	C
420 – 489 points	60% - 69%	D
0 – 419 points	0% - 59%	F

Attendance Policy: Attendance of lectures is mandatory in the sense that you are responsible for all announcements of changes in schedule made during class, as well as all material covered during lectures.

Calculator Requirement: You may use a graphing calculator to solve some homework problems. You can check out a calculator from Math department (go to MS401). **However, you may not use a calculator on quizzes and exams.**

Mathematics Learning Success Center (MLSC): The MLSC offers tutoring for Calculus II on the first floor of the Library. Go to http://www.math.okstate.edu/mlrc/ for more information.

Note: Circumstances may require changes to any of the dates, policies, or other material contained in this syllabus. Any such changes will be announced during class. It is the student's responsibility to attend class regularly and keep informed of any changes.
